DRIVEN BY EXPERIENCE. POWERED BY EXCELLENCE.

Established in 1981 by Mohammed Helal Freih Al Qubaisi, Al Yaseah OGISS is a leading provider of **oilfield, engineering, and industrial services** in the **UAE** and across the **Gulf**.

From **procurement to project support**, we specialize in delivering **turnkey solutions** to the **energy, marine, and defense sectors**.

Our commitment to **quality, safety, and sustainability** has positioned us as a **trusted partner for major international and government clients**.

VISION & MISSION

Vision

To be a trusted leader in delivering **innovative, sustainable, and high-quality solutions** across the **energy, engineering, and industrial sectors** in the **UAE and the wider Gulf region**.

Mission

To provide turnkey services that meet the highest standards of **quality, safety, and reliability** — empowering industries through expert **procurement, technical manpower, and engineering support**, while fostering long-term partnerships with clients and stakeholders.

OUR CORE SERVICES

01

Technology & Innovation

- Delivering innovative solutions that reduce **downtime**, boost **productivity**, lower operational expenditure (OPEX), and enhance **ESG** performance.

02

Turnkey Project Support

- Delivering **end-to-end project management** ensuring **timely** and **cost-effective** delivery.

03

Defense & Marine Services

- Supporting **naval and defense operations** with **reliable systems** and **specialized services**.

04

Engineering & Technical Support

- Providing **expert manpower** and **specialized engineering solutions** for complex projects.

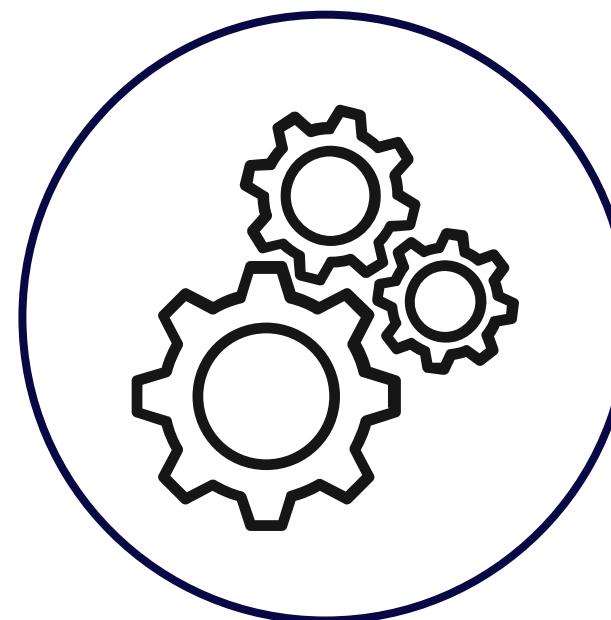

05

Procurement & Supply

- Supplying **high-quality equipment** and **tailored materials** to meet client needs.

SERVICE APPROACH

1

Engineering Excellence

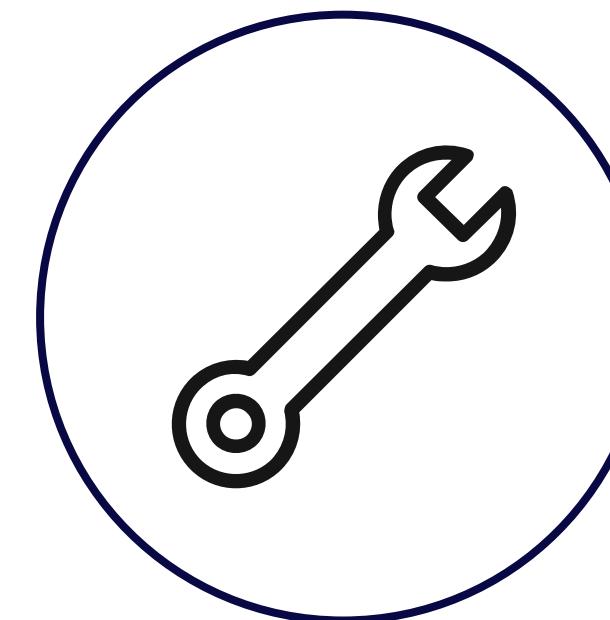

Tailored solutions designed to meet **complex project requirements**.

2

Reliable Sourcing

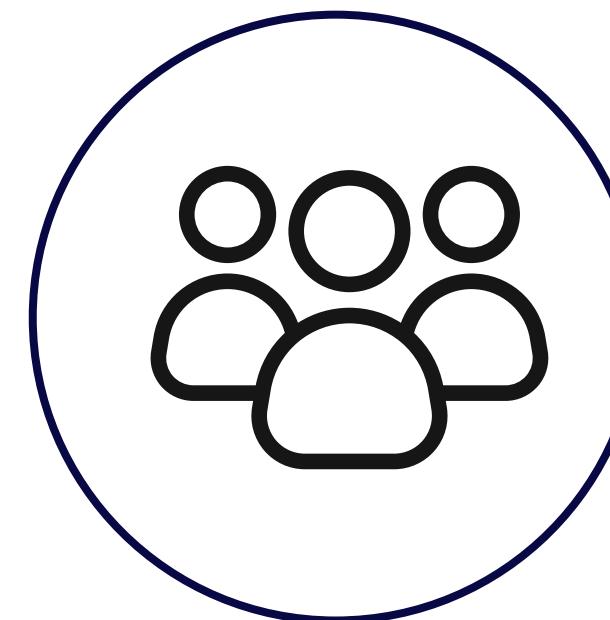

Access to **trusted global suppliers** and **advanced technologies**.

3

Ongoing Support

Continuous **technical assistance** to maximize efficiency and uptime.

4

Strategic Management

Long-term guidance ensuring **sustainable** and **successful outcomes**.

INDUSTRIES WE SERVE

01

Oil & Gas

Supporting **upstream**, **midstream**, and **downstream** operations with **specialized equipment and services** designed to meet industry standards.

02

Energy & Power

Delivering **reliable solutions** for both **conventional** and **renewable energy projects**, ensuring efficiency and sustainability.

03

Defense & Marine

Providing **naval systems**, **defense technologies**, and **marine support** services that enhance operational readiness.

04

Industrial & Infrastructure

Supplying **tailored engineering and procurement solutions** for **industrial facilities** and **infrastructure development** projects.

CERTIFICATIONS & ACCREDITATIONS

Internationally recognized certifications ensuring
quality, safety, and compliance.

- ISO 9001:2015
- ISO 14001:2015
- ISO 45001:2018
